Materials

English for Academic Purposes (EAP) Speaking Materials

- Seminar Skills - a list of books in CILL
- Presentation Planner - a program which helps you to write presentations by asking you for all the necessary sections of a presentation. It then produces printable notecards and a script. It also reads your presentation to you to help with your pronunciation.
- Oral Presentations - a list of CILL books on presentations.

English in the Workplace (EIW) Speaking Materials

- Spoken Business Communication - a list of books in CILL
- Instructions - a list of books in CILL
- Job Interview Panel Discussion - example phrases and an ordering activity
- Job Interview Quiz on the content and grammar of interview answers
- Job Interviews (Early-intermediate and Intermediate) - list of useful CILL materials
- Attending An Interview - advice and tasks

English for Professional Purposes (EPP) Speaking Materials

- Job Application Procedures - a list of books in CILL
- Meetings:
  - Meetings Scenario - in a cartoon of a business meeting choose what your character will say.
  - Materials Lists of CILL Materials
  - Meetings - list of useful CILL materials
  - Meetings and Negotiations - list of CILL materials
- Writing and Presenting Final Year Projects - a list of books in CILL

Pronunciation

- Pronunciation page

Other ELC Speaking Materials

- Asking and Answering Questions Socially
- Asking questions, seeking clarification and interrupting

Speaking Materials in Books

- There are lots of speaking materials in CILL, please visit us. Here is a list of speaking materials we have, for example on presentations.

Needs Analysis

There are four stages in needs analysis: what you need to know about a language, your present problems, your future needs, your needs for your course.

Click here for a Needs Analysis / Planning / Studying / Assessment Form that you can print out and fill in.
