A bright today with much to be thankful for.

A path that leads to beautiful tomorrows.

I look to the new year and my wish for you;

Peace within your heart

Love from family and friends

Faith to guide your way

Hope to to make it through each day

Sunshine to light the day

Heavenly Stars to wish upon

Rainbows to to let you know there is a tomorrow

A tear to show compassion

A heart to hold the love

But most of all I wish for you

to feel my hand in yours,

To know I am here if you stumble or fall.
To bring you cheer, to bring you love,
to return the love you always share with me.

Perhaps a bit wiser,
a bit kinder, too,
a little bit braver,
a heart that's more true,
a touch of believing
I've not known before,
in joys I'm receiving
a little bit more.

A little more anxious
to reach out my hand,
despite hurt or problems
to still understand,
accepting the heartache
that life often brings,
a little more beauty
in life's simple things.

A prayer when I'm weary
as onward I trod,

a little more trusting,
believing in God,
'tis this I would wish for
within moments dear,
not a lot - just a little
this wondrous new year.
