## Wonderful Holidays

Oliver, 19, a college student

Sitting **contentedly** on the sand as the waves **crashed** quietly against the shore, I couldn't have been happier on my summer vacation. Last year we went to Key West. I also had a **chance** to ride on a wave runner for the first time. I went swimming in the ocean and I like to surf on the waves. A **jellyfish** once **stung** me and I had to spend two days inside because my leg was swollen. My whole family spent a month together and we had a great time.

Austin, 22, an announcer

I went to Chaing Mai 2 years ago with my family by coach. The first place that I went is Doilntanon. I went there by van because I couldn't go there by coach because the way is **precipitous**. When I arrived at Doilntanon, I felt excited because that's a wonderful place. There were many flowers and trees. I felt like I can touch the sky because it's cloudy around me. There are 2 **enormous** and beautiful **pagodas**.

Fiona, 32, a writer

My best holiday was a trip to Nepal. I was with my husband. We were in Nepal for three weeks. We went **trekking** around the Annapurnas for twenty days. We saw very nice **landscape**. Every day we went up a mountain to a pass which was 5,000 meters high. The food was very simple. We had rice every day, with chicken and vegetables. It was boring. Every night we slept in very simple hotels, with one toilet for all the people, and what a toilet! The bed can transform into a table with a leg. But the trip was very interesting.
