**It's OK if it isn't correct . Let's study
about the Present Simple Tense .**

Here we go!

Present Simple Tense means a fact , or a repeat action by the subject :

for example (e.g.) 1 . I speak English .

2 . You speak English .

3 . We speak English .

4 . They speak English .

5 . He speaks English .

6 . She speaks English .

7 . The sun *rises* in the East.

8 . Exercise *makes* you happy .

**9 . On most mornings , the English teacher *comes* in ,
looks round his office and *smiles* happily .**

**David , could you tell me about the pattern of
the Present Simple Tense ?**

Yes I can , Diana .

The form of the Present Simple Tense is

Subject + Verb 1+ Object

He likes to eat bananas.

She plays volleyball every day.

The dog runs very fast .

They play tennis every weekend.

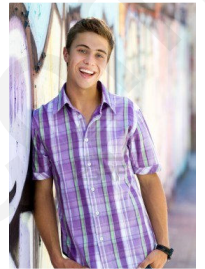

We study English every Tuesday.

I swim every Monday .

Diana , did you notice that sometimes the verb has -s or -es on the end , and sometimes it hasn't got -s ?

Yes , I did . I 'm going to ask you about them . Why are they like this , if they are in the same tense ?

It is the same Present Simple Tense , but if the subject is the third person singular (He , She , It)

The verb 1 will end in -s or -es

For example :

He goes to the school everyday .

She likes to eat banana for breakfast .

The dog runs very fast .

David , can you tell me
how to add -s or -es
after the verb 1 ?

Yes , I can . Listen carefully , OK !

1. Most verbs add -s or -es , for example :

get → gets

visit → visits

speak → speaks

happen → happens

2 . If the verb ends with s , ss , sh , ch , o , and x , you should add es ,
for example :

pass → passes

bless → blesses

brush → brushes

fix → fixes

catch → catches

teach → teaches

3. If the verb ends with y , you should change y to *ie* then add s

study → studies

hurry → hurries

reply → replies

satisfy → satisfies

Notice If the verb ends with a vowel (a , e , i , o , u) + y , don't change y to ie .

You can just add -s at the end of the verb .

enjoy → enjoys

stay → stays

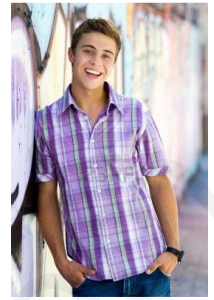

delay → delays

play → plays

To make a negative sentence , or a question ,
in the Present Simple Tense , we add the verb to do
(do , does) as a helping verb .

Here some negative sentences .

Subject + Auxiliary Verb (do , does) + not + Verb 1

Affirmative sentence	Negative sentence
I exercise every other day.	I do not exercise every other day . OR : I don't exercise every other day.
You exercise every other day.	You do not exercise every other day. OR : You don't exercise every other day.
He exercises every other day.	He doesn't exercise every other day. She
She exercises every other day	doesn't exercise every other day.

Notice 1. Either use *do not* or the short form *don't* . *Does not* in short form is *doesn't* .

2 . For the third person singular (He , She , It) we add *does not* (*doesn't*) in front of the verb and cut -s or -es out of the verb 1

3 . For all other subject (I , You , We , They) we add *do not* (*don't*) in front of verb 1

To make a yes / no question in the Present Simple
Tense , we use the form
Auxiliary Verb (do, does) + Subject + Verb 1

Affirmative Sentence	Question Sentence	Answer
I visit my home twice a year.	Do you visit your home twice a year?	Yes, I do . No, I don't .
She washes her car every week.	Does she wash her car every week ?	Yes, she does . No, she doesn't.

Notice

1 . For the third person singular (He , She , It) we add Does in front of the verb and cut –e or –es out of the verb 1

2 . For all other subjects (I , You , We, They) when we make the question we add Do in front of the sentence .

Let's talk about how to use the Present Simple Tense .

1. We use it to say that something happens all the time or repeatedly , or something that is true in general . Here some frequency adverbs :

always , sometimes , usually , seldom , often , regularly , continually , generally , frequently , nowadays , whenever , every day , every year , every other day , from time to time , now and then , once a week , twice a week

She wakes up at 6 o'clock every day .

Usually tigers are wild animals .

Jim always hands in his homework late .

They often work at night .

2. We use it to describe facts that are true at all times :

Horses eat grass .

The sun rises in the east and sets in the west.

Water is a liquid .

It is cold in winter .

3. We use it in exclamation that begins with Here , There , How and What .

Here comes my friend !

Here is the book I want !

How kind you are !

What a nice man he is !

4. We use it to join 2 sentences , or to make a conditional sentence .

It always has when / as soon as / if / unless .

We can put them in front of the sentences , or between the 2 parts :

	<i>If</i>	}	
	<i>Unless</i>		<i>S+V1 , S+ V1</i>
	<i>When</i>		<i>S+V1 , S+ will V1</i>
	<i>As soon as</i>		
1 . <u>S + V1</u>	<i>if</i>	}	<u>S + V 1</u>
	<i>unless</i>		
2 . <u>S + will V1</u>	<i>when</i>		<u>S + V 1</u>
	<i>as soon as</i>		

For example : He eats fruit as soon as he arrives home .

She will go out when he comes .

He will go with her if she is late .

The dancers will perform unless there is any cancellation.
